IDENTIFYING RED FLAGS & PATTERNS FOR
HEREDITARY CARDIOVASCULAR DISEASE

Do you know how to identify patients for genetic evaluation?

This online program can help hone your skills. You will learn to:

- Identify red flags and patterns that increase genetic cardiac risk
- Identify patients appropriate for genetic evaluation

Course highlights:

- Earn free continuing medical education (CME) or continuing nursing education (CNE) credit in under 30 minutes
- Appropriate for practicing cardiology clinicians, students and residents
